The 2010 Johnson County Leadership Battle Rattle Team truly inspired our group with their efforts and success in raising funds for USO Indiana. In honor of our Men and Women in uniform, we want to continue their fundraising this year with the 2nd Annual Battle Rattle 5K Run/Walk. Please remember these Men and Women give their lives so we can enjoy our freedom.

Dear Fellow Patriot,

Thank you for accepting the information from the Leadership Johnson County Project, regarding donation opportunities for our 2nd Annual Battle Rattle 5K Run/Walk benefiting the **USO Indiana** in support of our Military. This year we are adding a **One Mile Family Walk** dedicated to the memory of Marine Sgt. Jeremy R. McQueary (Columbus, IN native) killed in Afghanistan on 2/18/2010. The mission of USO Indiana is to provide morale, welfare and recreation services to our Men and Women in Uniform. The USO of Indiana is not supported by any Government entity. They receive zero financial support from USO World Headquarters and are totally supported through contributions from organizations, corporations, and patriotic citizens here in Indiana.

2010 has been a great year for the USO of Indiana. In addition to the facility located on the grounds of Camp Atterbury Joint Maneuver Training Center, a brand new facility opened at the Indianapolis International Airport. Both centers operate seven (7) days a week, 365 days per year. A third center has recently been opened at Muscatatuck Urban Training Center near North Vernon, IN. The USO Indiana supports six (6) major programs and annually conducts over 60 events in support of our troops.

The **Battle Rattle 5K Run/Walk and One Mile Family Walk** will be held on May 14, 2011 on the grounds of Camp Atterbury. We are asking you to consider one of our sponsorship levels to showcase your business at the event. Or make a monetary donation and/or donate an in-kind item for our silent auction to be held during the event to assist in our fundraising efforts. If you make any type of donation, we will follow up with an acknowledgement letter.

This year the funds raised from the **Battle Rattle 5K Run/Walk and One Mile Family Walk** will go toward building and equipping a picnic area next to the new USO Recreation Center being built at Camp Atterbury. This outdoor recreation area will be a big plus for all the troops that utilize the USO Recreation Center and is badly needed. Please help us support the troops.

We understand it is easy to get inundated with requests for events, but this is a truly worthy cause. It will assist and support our troops who risk everything for the freedoms and the lifestyle we cherish as Americans. All who can respond to this need will have their name or company name prominently displayed at the event held on the grounds of Camp Atterbury so they too can see that we care for them and support them in any way we can, as they do for us. They risk and sacrifice more than we could ever ask for.

We respect and cherish your time and consideration in working with us to donate your time, monetary funding, silent auction items or services that can enhance the success of our walk and run. 'The **TROOPS** need the **USO**, and the **USO** needs **YOU**'.

Respectfully,
Battle Rattle Team Members 2011
